

The Great Lakes Christian Educators' Convention is a regional convention of Christian schools from Ohio, Illinois, Michigan, Indiana, Wisconsin and Minnesota. The convention dates are October 6-7, 2016 and it is being held in Kalamazoo, Michigan. The six states gather every three years in order to fellowship and learn from great speakers. One of the things our 900+ administrators and teachers from these great states appreciate is the opportunity to peruse our exhibitor displays and to be able to interact with so many different vendors they would not otherwise get to meet.

Registration for our convention is now available for exhibitors, and we also offer the option of advertising in our convention program. We would be honored to have you be a part of this convention as an exhibitor or advertiser this fall. You can fill out the registration form online at [www.glcec.net](http://www.glcec.net). Please complete the *Exhibitor Registration Form* online and submit with your fees as soon as possible for the best rates on the exhibitor booth prices.

We desire to expose our member schools to the resources and services that will provide potential tools to make them more effective as teachers in the classroom. Our exhibitors are a significant part of the convention, and we will provide many opportunities to give you exposure throughout the convention. Please be assured that we will do all we can to make your time with us both productive and refreshing.

This year's event will feature these important components:

- Two days of exhibitor exposure with scheduled times for delegates to visit the displays.
- Exhibit booths are located in the area of the workshop sessions for excellent access to the delegates.
- We also offer the opportunity to sponsor an ad in our program with a variety of size options.
- Free drawings for delegates as incentives to visit exhibit booths. We welcome your door prize contributions to be added to this drawing that is held during the final general session.

**HOUSING:** Take advantage of the great rate being offered by the Radisson Plaza Hotel. It would be extremely convenient for you, and it is really the best choice for exhibitors.
