Know Before You Go - Parking Edition

Are you staying at the Radisson and parked a car in the attached parking ramp?

Great! After you have checked in with our Front Desk team, your guest room key will work to get you in and out of the Radisson parking ramp during your stay. When you depart the last time, please scan your guest room key at the departure gate and drop the key into the drop box.

I'm not staying at the Radisson, but I am going to park my car there and stay at an overflow Hotel just down the street. What do I do?

Not a problem. Please go to the Radisson Front Desk and we will have you prepay for your parking and give you a key to let you enter and exit the Radisson parking ramp as many times as you need to. When you depart the last time, please scan your key at the departure gate and drop the key into the drop box.

I'm local and here only for the day, what do I do?

Each TIME you depart the Radisson parking ramp, you will owe the parking ramp \$5.00. GLCEC will have the discounted passes for you at their registration table. Make sure you grab a pass before you depart to the parking ramp.

Let us help you get out of the parking ramp quickly!

We will have Radisson team members located on the second floor, near the walk way to the parking ramp. Please stop and see them so you can pay for your parking before entering your car. They will be available during the following dates and times:

Thursday 9/29 from 5:40 PM - 6:45 PM

Friday 9/30 from 12:45 PM - 2:00 PM

To try to help everyone exit the parking ramp faster, we kindly ask:

Please pay via CREDIT CARD OR DEBIT CARD.

The Radisson parking ramp **DOES NOT** accept cash. If you are paying cash, you **MUST** do so at the Radisson Front Desk or during the times mentioned above at the prepay station.
